MARCH-CHANGE OF SEASON

MAR 15

SUN

KINGS KLOOF BLUE TRAIL HUMAN RIGHTS MONTH WALK (12km)

We remember the struggle for freedom and democracy as we step onto the trails of Kings Kloof where you will find yourself transported into a world of serene forests and visit a beautiful waterfall. The trails lead you through protea groves, shaded woodlands, and a tranquil river valley to a waterfall and hidden rock pool nestled in the heart of the kloof. Kings Kloof promises a remarkable adventure in nature's embrace.

MAR 28

SAT

B'SORAH ADVENTURES FOREST DAY WALK (12km)

The trail takes you through amazing bushveld, then riverine forests perfect for celebrating World Forest Day. We walk along a river and canals, finally into a majestic, dense forest. Keep some in the tank for the tough climb out of the river gorge. Great trail with a nice swimming spot in the middle where we will stop for a Moroccan style picnic.

29 MAR-04 APR

SUN-SAT

MOUNT TOUBKAL MOROCCO

Mount Toubkal, or Jebel Toubkal, is the highest peak in North Africa (4,167m) in Morocco's Atlas Mountains in Toubkal National Park. The team will depart from Marrakech, hiking to a base camp refuge before the final summit ascent. After the summit, the team will spend a few days exploring the sights, sounds and smells of Marrakech and visiting the beautiful coastal town of Essaouira.
